

roomready™

We innovate. You collaborate.

Your customers want easy-to-use video meeting room solutions that eliminate complexities. You want a partner that makes the sales and implementation process simple. RoomReady delivers both.

Why RoomReady?

Unlike traditional AV integrators, we strive for simple and consistent meeting room experiences, no matter the room, meeting platform or hardware need. Our proven tech-agnostic approach means we're able to deliver personalized audio visual solutions based on what you need, where you need it — and faster than others can provide it.

National AV Presence

RoomReady is headquartered in Normal, Illinois, and has regional hubs in New York, Missouri and Oregon.
